**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support my local internet provider that has provided excellent reasonably priced internet access for over 10 years. If you believe in a competitive market, ensure that local ISPs can compete. More sellers are better for consumers. Don't let huge phone and cable companies form local monopolies.
